Title: God's Amazing Forgiveness

Scripture Reading: Psalm 32:1-5

- The Love of God is the key to why He is willing to forgive us, not once, but over and over again.
- The Patience of God is another attribute of God which attributes to His forgiveness.
- Patience reveals our faith in God's timing, omnipotence, and love.
- How do we display the patience that is characteristic of Christ?

First, we thank God

Secondly, we seek His purposes

Third, to help us live the Abundant Life
