Title: Jesus' Prayer for His Body, the Church

Scripture Reading: John 17:20-26

1. Jesus is praying that we would be one.
2. Jesus asks that the oneness of all believers resemble the oneness that exists eternally between the Father and Son.
3. Jesus equips us to experience relational oneness. He has given us His glory so we can be one just like the Father and Son are one.
4. The reason why Jesus prays we will be one is 'so that the world may believe that you sent Me and loved them even as you loved me'.
