

Sermon Text: James 4:13-5:6

Title: Getting Rich vs. Being Rich

Two Ways To Live With Riches:

1. Remember that you are not God (4:13-17)

2. Remember God's Justice (5:1-6)

Note the change in audience (5:1)

Why would James start talking to unbelievers in a letter to believers?

To remember that our Just God hears our cries (4; Psalm 56:8)

So we would not envy the wealthy wicked (3)

Psalm 73:16-17

Therefore:

The wealthy wicked should grieve (5:1)

The believer should persevere in worship (Psalm 73:17)

Final Applications:

1. Make room in your life to give to ministry

2. Don't ignore your conscience

3. Don't Be Anxious or Afraid

Luke 12:22-25

4. Give your heart totally to Jesus
